KICKSTART THE KNIGHT

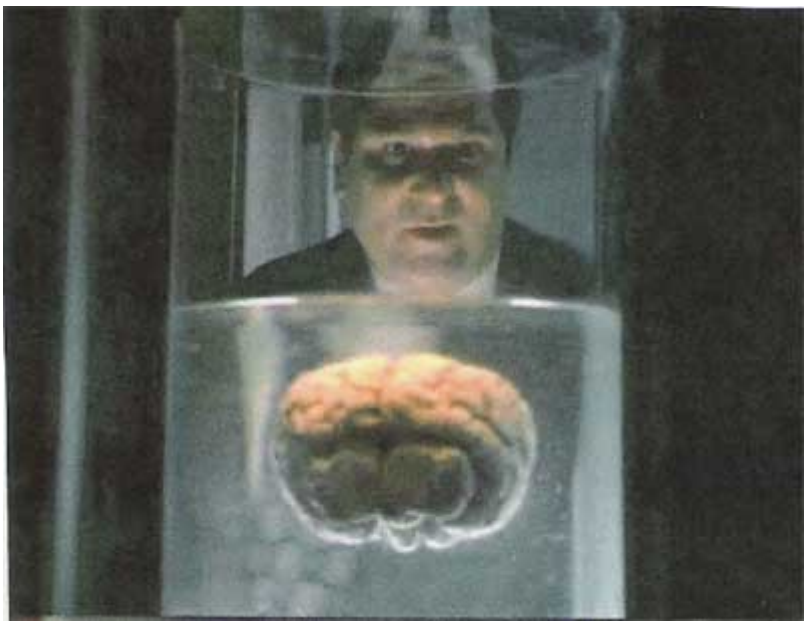
Summer Auction a Great Success

Thanks to all of you faithful FK fans, the Summer Auction netted a whopping $1,052—more than enough to place a full-page ad in SciFi Magazine.

The KtK Committee, with the help of the graphic designer at SciFi Magazine, put together an ad to thank TPTB for the first and second season DVDs and to ask for the third season. We think it looks great!

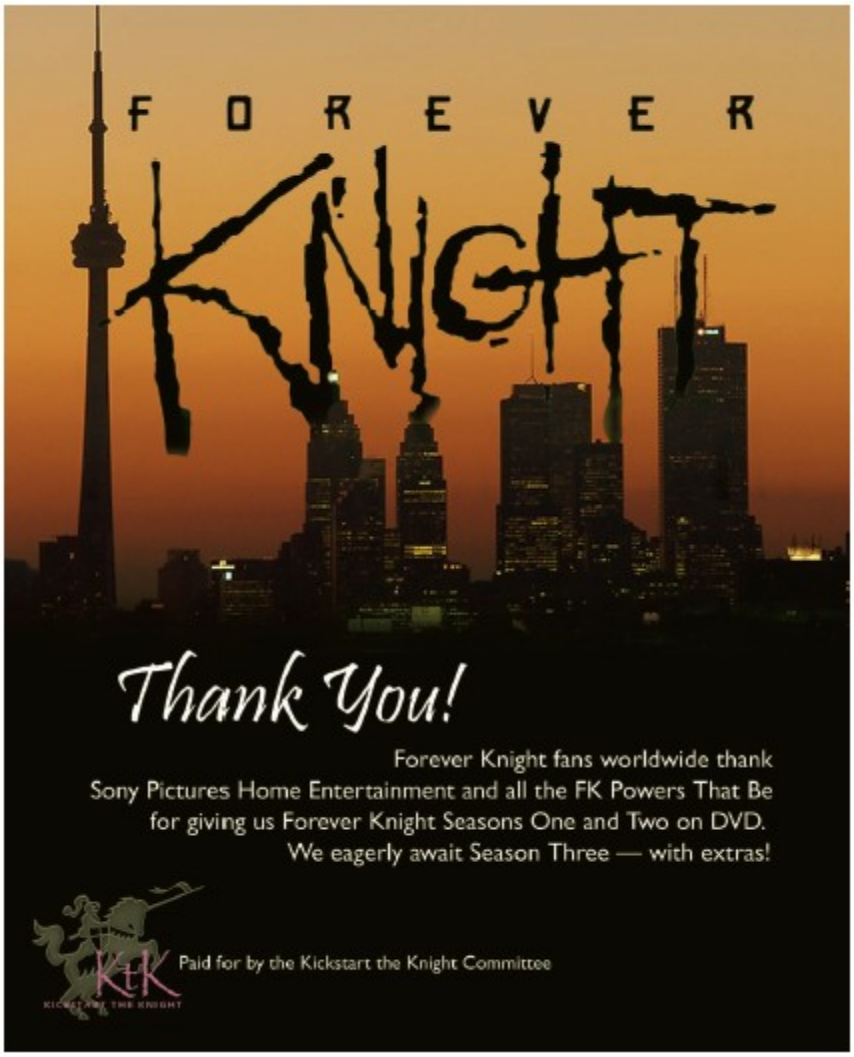
PREVIEW THE AD

Announcing the Caption Contest Winner



"Man, they have to start cleaning the water cooler more often!"

Congratulations to Cousin Mary, author of the winning entry! Her prize is four vintage issues of the "Haberdasher's Gazette", the John Kapelos Fan Club's newsletter.



FOREVER
KNIGHT
Thank You!
Forever Knight fans worldwide thank
Sony Pictures Home Entertainment and all the FK Powers That Be
for giving us Forever Knight Seasons One and Two on DVD.
We eagerly await Season Three — with extras!
KtK
Paid for by the Kickstart the Knight Committee

This is the full-page ad that will appear in SciFi Magazine.

What is Kickstart the Knight?

Kickstart the Knight is a fan-run project founded to promote the television show “Forever Knight” and petition The Powers That Be (TPTB) for more FK—officially licensed merchandise, a continuation of the paperback book series, and showing the series on cable.

We focus mainly on letter-writing campaigns that let TPTB know that there are FK fans out here who remain interested in this classic cult series, and who want more of it in any form we can get it! While KtK is run by a small group of individuals, our continuing campaign is for all FK fans. It’s only through our group efforts that our voices can be heard by the folks in the big glass office buildings who own FK.

What Else Does KtK Do?

Besides writing letters, KtK holds periodic online auctions. These auctions help fund ads placed in publications like *Hollywood Reporter*, *Weekly Variety*, *Sci Fi Entertainment*, *Sci Fi*

Universe, and *TV Guide* that remind TPTB of our desire for more FK. There are also special projects, like thank-you letters and gifts to TPTB when they do put FK on the air, and getting our message out to the fans through flyers at science fiction and fan conventions.

How is KtK Financed?

KtK finances the publication ads through our online auctions. Everything else is funded out of our own pockets. We cannot accept monetary donations, but help in the form of volunteering on a project or donating FK items to be auctioned are always welcome.

Summer 2006 Auction

We asked the fans what they wanted the proceeds from the KtK auctions to be used for—and you answered! By an overwhelming majority, you told us you want the money to be used on an ad.

WE HEAR AND OBEY!

All money earned by this auction will be used to place a full-page color ad in Sci Fi Magazine. This will cost about $950, so we hope you bid big and bid often!

SPECIAL ITEM! As enticement, we have a very special, much-sought-after item in the auction—the UF Pillow Book! It's a beautifully produced, professionally printed paperback containing stories from some of the UF's best writers. Only 250 of the Pillow Book were printed, and none were available for sale anywhere—until now! KtK managed to find a copy and is offering it to you.

Auction Dates

Wednesday, June 21, 2006 (noon Central Time) to
Wednesday, June 28, 2006 (midnight Central Time)

A Note About Participating in the Auction

Because of the nature of this auction, we will under no circumstances allow any special favors for winning bidders. Your final bid is a promise that you will pay up in a timely fashion. Pleas such as "I get paid next week", "I'm going on vacation, I'll pay when I get home", and "Some family things came up, can I pay later?" will no longer be accepted. No money, no auction item. When you make that final bid and are named the winner, you have the obligation to follow through on the payment.

When KtK contacts the magazine and orders the ad for you all, we enter into a legally binding contract and we must pay for the ad. It will cost about $950, and we must receive that money on time. No one on the KtK Committee can afford to finance this.

Also, please remember that you must include the cost of shipping when you make your payment. If you don't include it, we have to pay it out of pocket.

Thank you for participating, and thank you for FOLLOWING THE RULES!

  Forever, and a Knight. 151 pages. Rated PG. $17 plus postage. Short stories: "1966 Encore" by Sue Burke; six short stories by Candy Vogel; 1 novella, "A Vampire's Promise" by Candy Vogel and Cheryl Schneider; 14 vampire poems by MC Schisler; plus poetry by Sue Burke, Anita Stone, Pristine Aericko.

  Putting the Pieces Together by Candy Vogel and Cheryl Schneider. 115 pages. Rated a strong PG-13. $14. Be careful what you wish for, and *how* you wish for it! Natalie wanted to be with Nick, no matter what—in life, in death, or even in darkness. Now she and Nick are together, as vampires. Can she cope with life on the dark side? Third season but it's mostly a Nick and Nat—and LaCroix!—story, with flashbacks to the 1800s, which include Janette.

  The Fire by Donna Stripling. 106 pages, rated a strong-PG-13 for sexual content. $14. Someone is killing the vampires of Toronto, and too many innocent mortals are dying in the process. An exciting Third Season story with touches of humor and lots of romance.

The Heart Has Its Reasons by Jamie Melody Randell. 68 pages, PG-13, with tasteful vampire love scenes. $12. A sequel (of sorts) to "Be My Valentine," written *before* "A More Permanent Hell." Natalie is stripped of her memories of Nick's true nature by a mysterious stranger. There is only one vampire with the power to rearrange human minds so effectively, a far more dangerous adversary than LaCroix could ever be—the very being who made LaCroix what he is. Has she come to help Nick, or destroy him?

Forever Knight/Geraint Wyn Davies Scrapbook. 165 pages. $18. Photocopied articles, interviews, reviews, pics (FK, Ger, Cast; Black Harbour, more). This is *not* the "Bluebook" from GWDFC—it's from my own personal scrapbook!

A Vampire in the Theatre, by Nanci Folsom Casad. PG-13. 205 pages. Spiral bound. $15. Novel-length, unique "original vampire" fanzine (not FK). A contemporary story with a flashback to the 1800's. A young woman finds a mysterious, sensitive stranger locked in a storage room in an old theatre. After several strange occurrences lead her to believe the man is a vampire, she sets out to discover the truth, only to complicate matters by falling in love with him along the way. If you like Forever Knight, you'll love A Vampire In the Theatre!
